

GLN SERVICES TERMS

Version: GDSG21.1

1 APPLICABILITY

These terms ("GLN Services Terms") shall only be applicable to Order Forms which incorporate them by reference, including with the specific version code. Further, the GLN Services Terms will apply only to such products and services that are defined as or are labeled as "GLN Services" by Descartes in the Order Form. These terms are in addition to any other terms and conditions provided under the Agreement.

2 USE AND RESTRICTIONS

- 2.1** Customer grants to Descartes and its Affiliates a worldwide, limited-term license to host, copy, transmit, modify, encrypt, and display Customer Data, but only to the extent that it is reasonably necessary for Descartes to provide the Services in accordance with this Agreement or as otherwise provided for under the Agreement, and for no other purpose.
- 2.2** Descartes shall provide the GLN Services to Customer during the Term of the Agreement at the service levels described in the Agreement. As part of Customer's subscription to the GLN Services, the underlying applications that Descartes uses to provide GLN Services may be updated from time to time to the extent that Descartes makes such updates available to all customers as part of a generally available release.
- 2.3** Customer is authorized to Use the GLN Services described in the Agreement solely for the Permitted Use. Customer is not authorized to Use any Module associated with the GLN Services unless that Module is specifically listed in the Order Form or any subsequent ordering document.
- 2.4** No license is given to any of the underlying software, hardware, or other systems used by Descartes to provide the GLN Services to Customer. Customer is solely authorized to access the GLN Services via the applications or means of connection specified by Descartes. Customer is responsible for adhering to all such specifications to ensure connectivity with the GLN Services.
- 2.5** Descartes may, but shall be under no obligation to, modify or update the GLN Services from time to time, provided such modification does not result in a material loss of functionality in the GLN Services as compared to the GLN Services as of the Effective Date.
- 2.6** Customer, in using the GLN Services, agrees not to knowingly: (i) upload or otherwise send to Descartes or the GLN Services files that contain viruses, malware, corrupted files, or any other similar software or programs; (ii) use the GLN Services for illegal purposes, to further an illegal or criminal venture, or in any manner that might reasonably be considered as causing, inciting, encouraging, or aiding in the commission of a nuisance or criminal offence; (iii) interfere with or intentionally disrupt or put at risk the GLN Services, the underlying network systems supporting the GLN Services, or the ability of other users or customers of Descartes to use the GLN Services; and (iv) post, promote, or transmit any unlawful, harassing, libelous, abusive, threatening, harmful, vulgar, obscene, hateful, racially, ethnically

or otherwise objectionable material of any kind or nature through the GLN Services.

- 2.7** Where Customer determines that it has violated section 2.6 Customer will, without undue delay, notify Descartes of the violation. Where Descartes reasonably determines that a violation of the above listed sections has occurred, Descartes may suspend, either temporarily or permanently as is reasonable under the circumstances, the access of Customer or its Permitted Users until such time as the violation has been remedied and there is no reasonable basis to believe that continued violations will occur.

3 PERMITTED USERS

- 3.1 Permitted Users of GLN Services.** Customer will be solely responsible for selecting the Permitted Users. Depending on the GLN Service, Customer will either be able to set up its Permitted Users' accounts itself or will need to provide relevant user details to allow Descartes to set up the relevant Permitted Users' accounts. Where Permitted Users' accounts need to be set up by Descartes, Customer will ensure it provides Descartes with timely updates on any changes to its list of Permitted Users.
- 3.2 Responsibility for Permitted Users.** Regardless of how Permitted Users' accounts have been set up, Customer agrees that it is responsible for all Permitted Users who Use the GLN Services. Accordingly, the terms, conditions, restrictions and obligations of the Agreement (excluding Customer's payment obligation to Descartes) shall be construed to also apply to all Permitted Users, and Customer shall be liable for any breach of the Agreement by a Permitted User.
