#### 4. TERM OF AGREEMENT & TERMINATION

- i. **Orders for Software, GLN Services, Hardware with a specified Subscription Term.** Where an Order is for Software, GLN Services or Hardware and has a specified Subscription Term, the Agreement will become effective upon the Order Completion Date and will remain in force for the duration of Subscription Term from the Billing Start Date (the "Initial Term") or until terminated earlier as permitted under the terms of the Agreement. Unless, otherwise expressly specified in the Order, on expiry of the Initial Term, the Agreement will automatically renew for successive one (1) year periods (each a "Renewal Term") at Descartes' then current Fees unless either party provides the other party with notice that they do not wish to renew the Agreement, at least ninety (90) days prior to the commencement of that Renewal Term.

Should you cancel before the expiry of the Subscription Term or if you do not cancel at least thirty (30) days prior to the commencement of any Renewal Term, You authorize Descartes to bill your chosen payment method for any Fees that would have become due for the balance of the Subscription Term or for the Renewal Term, as applicable, using the payment method on file on the renewal date or provided later. ##### 5.1. Payment Frequency.

**5.2 Overage Fees.** Unless the Order provides for unlimited usage, You will be charged overage fees for any usage beyond the quantity listed in the Order. Unless the Order specifies another means of calculating overage fees, any overage fee shall be the unit price, as described in the Order, for each unit in excess of the included quantity.

**5.4 Method of Payment and Recurring Payment Terms.** Fees shall be paid only by credit card or, where the option is made available by Descartes and selected by Customer, direct debit. Availability of payment methods may vary.

In addition, your access to the Descartes Solution or functionality within the Descartes Solution may be limited or turned off entirely.
