

Certificate of Compliance

28th March 2023

QuickCircuit Limited certifies that the products and/or product families detailed below have been produced in accordance with the QuickCircuit Quality Management System and manufactured in accordance with the requirements of the order, drawings, and relevant specifications and RoHS requirements.

QuickCircuit Limited certifies that our lead free cables & assemblies identified by the part number suffixes listed in the table below are compliant with the EU Directive 2015/863/EU on the Restriction of the use of certain Hazardous Substances in Electrical & Electronic Equipment (RoHS).

Customer:	Descartes Systems Group
Product:	STD001
BOM#	113224

No Lead (Pb), Cadmium (Cd), Mercury (Hg), Hexavalent Chromium (Cr+6), PBB or PBDE is intentionally added to these assemblies. Any trace impurities of these substances contained in the parts are below the RoHS specified threshold levels:

Cr+6, Hg, Pb, PBB's, PBDE's < 1000ppm
Cd < 100ppm

All information obtained by examination of supplier Certificates of Compliance provided in this Certificate of Compliance is accurate, to the best of **QuickCircuit Ltd's** knowledge, as of the date this certificate was issued.

Yours sincerely,

Laura Holden
Account Manager
